

Home Fire Escape Plan

- Draw a map of each floor level in your home.
- Be sure to mark each window, door and smoke alarm location.
- Mark two (2) ways out of each room, usually a door and window.
- Pick a *Family Meeting Spot* outside your home where everyone can meet following an emergency. This could be an area such as a mailbox, tree or a neighbor's home.
- Put your exit plan to work by practicing it as a family at least twice a year!
